

## Holt Renfrew, Women's Couture Room MONTREAL

Housed within Holt Renfrew's vintage 1930s art deco flagship in Montreal, the women's couture room emulates a European fashion salon. The 2600-square-foot space features two ante rooms with walls lined in leather-clad beveled panels, a translucent mirrored accordion wall to separate the entrance from the intimate display area and four fitting rooms outfitted with bleached white oak panel walls.
